SUPREME HEADQUARTERS
ALLIED EXPEDITIONARY FORCE

REF:-

37153

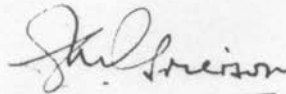

11 February 1945.

TO:- First Tactical Air Force (Prov.), APO 374, U.S. ARMY.

1. Reference to your 3rd Indorsement on the subject of night phenomenon originated by the 415th Night Fighter Squadron, there is no information at this Headquarters which might explain the nature and cause of the lights and other phenomena described by the pilots of this Squadron.

2. The matter is, therefore, being referred to the Air Ministry in order to find out whether any further information can be obtained from that source. ^{It is also} hoped to make arrangements for an Air Technical Intelligence Officer from USSTAF to visit the Unit concerned.

For the Deputy Supreme Commander,

C.D. GREENISON,
Air Commodore,
A.C. of S., A-2.
