

Letter to Dr. C.J. Lov
Page 5.

March 21, 1966

To conclude, whilst appreciating that the Project Report is not due out till 1966/60, can you give me any indication as to whether it will be a totally negative report dismissing the subject as far as the extraterrestrial probe theory is concerned or not.

I look forward to receiving your reply to this letter.

Sincerely yours,

Julian J. Hennessey
